TRAVIS POLLARD

1. I have lived in Kitscoty for 7 years and relocated from Lloydminster.
2. My wife is from Kitscoty. We both liked the idea of a small town to raise our family.
3. I am married with 2 kids – Owen (7) is in grade 2 at Kitscoty Elementary and Chloe (4) will start next year. I have been framing houses for 20 years and my wife and I started our own construction company, *Premium Custom Homes Ltd.*, in 2013.
4. I enjoy spending time with my family. We spend our summers at the lake, camping, fishing and water sports. In the winter I play on a rec hockey team in Kitscoty. I also like watching sports.
5. This spring I was part of a group that organized and built a playhouse to fundraise for the new playground needed for the school and community.
6. The community always comes together to support our local causes. Such as the curling rink, playschool and kindergarten to name a few. I also believe we have great

extra-curricular activities for a small town that families can take part in.

7. I don't see any major challenges right now, but there is always room for improvement.
8. I would like to see more growth and development within our community. And to make this a place that new families want to live in and take advantage of the great amenities we have to offer.
9. I chose to run to help give my generation a voice to be heard in the community.
10. I don't have any council experience, but I believe I can bring new and fresh ideas to help make our community a success.
